## **Newcastle United Supporters Trust Board 2024 Election Result**

Following the closing date for nominations, the Election Management Group (EMG) reviewed all applications. The EMG agreed that only two valid nominations had been made prior to the closing date and we can also confirm that no nominations have been classed as invalid.

The two valid nominations are:-

- Richard Barnsdall
- Karl Williamson

As there is an identical number of candidates as there are seats available, no election is required and both of these candidates will be informed of their appointment to the Newcastle United Supporters Trust Board.

**Ashley Brown (FSA) - Chair EMG**

**Colin Whittle (NUST Secretary)**
